

**SEMINAR ON FUTURE ENGINEERING EDUCATION & MEKAPATI GOWTHAM REDDY  
MEMORIAL AWARDS 2022 FOR ENGINEERING EDUCATORS**

 <p>Shri M Visweswarayya</p>	 <p>Prof Louis Buccierelli</p>	 <p>Dr Richard Felder</p>
 <p>Dr Carl Wieman</p>	 <p>Dr Kalpana Chawla</p>	 <p>Shri Mekapati Gowtham Reddy</p>

Society for Engineering Education India is organizing a SEMINAR ON FUTURE ENGINEERING EDUCATION at GUNTUR MEDICAL COLLEGE AUDITORIUM, Guntur, Andhra Pradesh, India on 29th of April 2023. It has three sessions : 1.Future Engineering Education 2: Entrepreneurship & Start-Ups 3. Sustainability and Climate Change.

IIT /NIT /Professional Engineers with expertise, education, experience in these focus areas can contact Prof.Ravi Sankar Chandu, 9014451261, [seeindia1310@gmail.com](mailto:seeindia1310@gmail.com) for Invited talks, Keynote talks and other opportunities. Session Chair opportunities are available for IIT Professors, Deans, HODs or Professors with international expertise/experience/exposure/Education etc with exceptional knowledge in the focus areas, speaking ability and willing to support the Seminar from their Project funds/Institutional Funds. Professors can send an SMS to 9014451261 so that we will communicate. As the Schedule for the Seminar will be prepared by March31st of 2023, interested professors /Engineers are advised to contact at the earliest.

SEE-India being a not for profit society does not offer air-fares, five-star hotels to the experts contributing as speakers and most of the IIT professors support us from their Institute /Project funding for such visits to our seminars and conferences.

During this, Dr V.Ramgopal Rao, Present Vice-Chancellor of BITS-Pilani and Ex-Director, IIT Delhi will be honored with the Life-time Achievement Award.

Nominations are invited before 8th April 2023 from Engineering Educators across the world for Five International Awards and National Level SEE-INDIA Mekapati Gowtham Reddy Awards for Engineering Educators 2022 from Institutions and Individual Engineering Educators.

The following awards are being considered

1. Institutional Awards for Engineering Colleges and Universities
2. International Awards
3. National Awards
4. Alumni Awards

The Following International Awards are being Considered :

- Shri Mokshagundam Visweswarayya Award
- Dr Louis Buccierelli Award
- Dr Richard Felder's Award
- Dr Carl Wieman Award
- Dr Kalpana Chawla Award

Alumni of Institutions of Higher Ranking like IITS/NITs/IISc/Centrally funded institutions can recommend a faculty for these awards and can sponsor an award to the identified faculty.

Vice-Chancellors of STATE TECHNICAL Universities can identify an Engineering College/Engineering

Faculty under their jurisdiction and can recommend a SEE-INDIA Award, provided the award is Sponsored either by the University or by Alumni or any Institution associated with the University.

Each nomination should accompany a registration for the Seminar and Nominations should essentially contain the achievements of Institutions/Individuals not exceeding FIVE A4 sheets with supporting CVs/Documents. Nominations in Hard copy form with details of the registration fees paid has to be sent to **Er Saiganesh Swapnil, Secretary, Society for Engineering Education India, F-15, Srivenkatesham, 3rd Line Gardens, Guntur, 522001, Andhra Pradesh, India** by speed post or courier before 8<sup>th</sup> of April 2023. SEE-India will not take any responsibility for the delays in transit.
